Your past support is appreciated!!
Your current support is needed!!

November 9th, 2017

Dear Alamo Community Supporter,

Once again the holiday season is quickly approaching. The Community Foundation of Alamo is beginning to plan and implement the many details of the Alamo Tree Lighting Festival. We need your financial support this year. I would like to remind you that The Community Foundation of Alamo is STILL a IRS 501c3 non-profit organization so any donations made maybe tax deductible.

We have a group of nearly 20 volunteers organizing the event this year, and we need your support to continue this community wide celebration. Programs like this make Alamo a great place to live and work. As in the past we have counted on generous donations to help with the infrastructure of the event. In order to make the festival happen, funds are needed to pay for road closure equipment, stage rental, park lighting, a great sound system, printing, publicity and other costs related to this event, so that school children from the community can show off their talents by singing Christmas carols to the attendees.

Can we count on your financial support this year at one of the following levels?

Diamond Sponsor	\$2,000+
Platinum Sponsor	\$1,500
Gold Wreath Sponsor	\$1,000
Silver Bell Sponsor	\$ 500
Community Sponsor	\$ 250

All donations are deposited into the Alamo Tree Lighting Account and used exclusively to support this wonderful community event!

Sponsors will be recognized in the Alamo Today newspaper, and donations received before 11/15/16 will be listed on a banner in the Andrew H. Young Park for the month after the Festival.

Donation of any amount will be greatly appreciated! We have made it easy for you this year by providing two ways to complete a donation. Either fill out and return the SAE and donation form, or log onto our website at: www.communityfoundationofalamo.com and [make your donation using PayPal](#). If you would like to get involved in volunteering your time or being part of the team, please contact Festival Chairperson, Kevin Musante (925) 595-9111.

Thank you...

Sincerely,

Sharon Schuyler
